Communication by Email, Text Message, and Other Non-Secure Means

It may become useful during the course of treatment to communicate by email, text message (e.g. "SMS") or other electronic methods of communication. Be informed that these methods, in their typical form, are not confidential means of communication. If you use these methods to communicate with The Brace Place, there is a reasonable chance that a third party may be able to intercept and eavesdrop on those messages. The kinds of parties that may intercept these messages include, but are not limited to:

- People in your home or other environments who can access your phone, computer, or other devices that you use to read and write messages
- Your employer, if you use your work email to communicate with The Brace Place
- Third parties on the Internet such as server administrators and others who monitor Internet traffic

If there are people in your life that you don't want accessing these communications, please talk with The Brace Place about ways to keep your communications safe and confidential. The type of information we may send may include information related to the scheduling of meetings or other appointments, information related to billing and payment, and information concerning my treatment including photos and radiographs.

I, _____ authorize The Brace Place at 2630 S. Carrier Pkwy, Grand Prairie TX 75052
